To Whom It May Concern:

This letter is in regards to our recent purchase of 150 Bleachairs stadium seats for our football stadium. They have been a huge asset to our stadium for all sports that are played in our stadium throughout the year. They have not only dressed up our stadium tremendously, but have become a fundraiser as well. Each seat allows for advertisements from different local companies to be recognized. I would highly recommend that any school look into the opportunity to benefit their school and facilities with this great addition. Thanks so much.
