To Whom It May Concern:

I am writing this letter of recommendation on behalf of DreamSeat, specifically with regard to their installation and service of our new soccer stadium chair-back seats. DreamSeat installed 95 BleaChair MAX28 dark blue seats on our existing grandstands, allowing us to create a revenue source for our Athletics Department.

DreamSeat's service was professional and timely, and our project representative Matt Sobel was courteous and helpful throughout the entire process.

Please trust that our experience was a good one, and that we would choose DreamSeat again for any future bleacher and/or grandstand needs.

If I can provide additional information on DreamSeat's products or service, please do not hesitate to contact me. Thank you.

Sincerely,

Steve King
