Re: Seating Solutions

Chandler Suprina at Seating Solutions was invaluable during the design and construction of the bleachers at Bonney Field.

We contacted Chandler because of our interest in the Bleachair system. From sampling to technical codes, he made sure we had all the information needed to make a decision. Chandler's industry experience greatly improved the bleachers we ultimately installed.

Seating Solutions was accommodating and fair with the financial side of the transaction. Our fans love the comfort of the Bleachair seats. We love the easy installation and custom coloring. As we expand our footprint at Bonney Field, undoubtedly, more Bleachairs will be part of the plan.
