RE: BLEACHER DESIGN AND INTALLATION FOR THE SPOKANE TRIBE'S POWWOW
DANCE HALL

Mr. Suprina,

This letter is submitted to thank you on behalf of the Spokane Tribe of Indians for the outstanding work and support you and Seating Solutions provided to our Tribe during this challenging undertaking. This project presented a major challenge due to the short timeline we had to install bleachers for our annual celebration in early September 2014. Seating solutions was the only company willing to take on this challenge, and I must say, had spectacular results that were completed well before the deadline. Seating Solutions level of professionalism, quality and genuine concern for us as your customer, played a pivotal role in the success of our Tribe's Annual PowWow Celebration. I would like to thank you and Seating Solutions for a job well done! We will be contacting to continue our business relationship with all our seating needs.

Sincerely,

A handwritten signature in black ink, appearing to read "Rudy J. Peope".
